[Item No. IV(a)(i) and V(a)(i), Page F24]

The appeal has been decided on January 3, 2023. By the final order, High Court has directed the Company to submit a fresh representation to Union of India and fixed a time of three months for Union of India to take a decision on the representation. The Company has submitted the representation on March 28, 2023.

The representation of the Company has been rejected by Government of India (Ministry of Steel) on December 29, 2023. By a letter of January 2024, the Company sought No-objection certificate ("NoC") from Joint Plant Committee ("JPC") for scheme of amalgamation of two of its subsidiary companies, namely Bhubaneswar Power Private Limited and Indian Steel and Wire Products Limited. By its letter dated February 22, 2024, while NoC has been issued for the merger, JPC has directed the Company to repay the outstanding SDF loans with interest within one month.

The Company challenged the rejection of representation by the Union of India (vide its communication dated December 29, 2023) and the direction of JPC to the Company to repay the outstanding loans by filing a writ petition being WPO No. 227 of 2024. It was also the contention of the Company that it is entitled to refund of all sums paid by it to SDF and that the Union of India has no right to the same.

On May 24, 2024, the Calcutta High Court (Single Bench) dismissed the writ petition filed by the Company. The Company filed an appeal against the aforesaid before the Calcutta High Court (Division Bench). The appeal filed is pending for hearing.

In the meanwhile, on January 17, 2025, the Company received a demand from the Ministry of Steel to make payment of outstanding balance of SDF loan. The Company made a payment of ₹2,824.15 crore against the outstanding loan (including funded interest) in April, 2025. Subsequently, pursuant to an additional demand raised by JPC, the Company made payment of ₹145.95 crore on August 22, 2025, outstanding as of date. The payments have been made without prejudice to the company's rights and contentions in the appeal pending before the Hon'ble Calcutta High Court. The same was communicated to the Ministry of Steel.

- (iii) As at March 31, 2026, the register of charges of the Company as available in records of the Ministry of Corporate Affairs (MCA) includes charges that were created/modified since the inception of the Company. There are certain charges which are historic in nature and it involves practical challenges in obtaining no-objection certificates ('NOCs') from the charge holders of such charges, despite repayment of the underlying loans. The Company is in the continuous process of filing the charge satisfaction e-form with MCA, within the timelines, as and when it receives NOCs from the respective charge holders.
