22. Borrowings (Contd.)

[Item No. V(a)(i) and (VI)(a)(i), Page F143]

(ii) The security details of major borrowings as at March 31, 2026 are as below:

(a) Loan from Joint Plant Committee-Steel Development Fund

It is secured by mortgages on all present and future immovable properties wherever situated and hypothecation of movable assets, excluding land and building mortgaged in favour of Government of India under the deed of mortgage dated April 13, 1967 and in favour of Government of Bihar under two deeds of mortgage dated May 11, 1963, immovable properties and movable assets of the Tube Division, Bearings Division, Ferro Alloys Division and Cold Rolling Complex (West) at Tarapur and all investments and book debts of the Company subject to the prior charges created and/or to be created in favour of the bankers for securing borrowing for the working capital requirement and charges created and/or to be created on specific items of machinery and equipment procured/to be procured under deferred payment schemes/bill re-discounting schemes/asset credit schemes.

The loan was repayable in 16 equal semi-annual instalments after completion of four years from the date of the tranche.

The Company filed a writ petition being WP No. 70 of 2006 (subsequently renumbered as WPO 70 of 2006) before the High Court at Calcutta in February 2006 claiming waiver of the outstanding loan and interest and refund of the balance lying with Steel Development Fund ("SDF"). The Writ Petition was decided by judgment dated August 3, 2022. By the judgment, the High Court declared that the corpus of SDF can only be utilised for the benefit of the main steel producers. However, the waiver of loan as sought by the Company was not allowed. Hence, against the judgment the Company filed an appeal in the High Court being APO No. 85 of 2022.

The appeal has been decided on January 3, 2023. By the final order, High Court has directed the Company to submit a fresh representation to Union of India and fixed a time of three months for Union of India to take a decision on the representation. The Company has submitted the representation on March 28, 2023.

The representation of the Company has been rejected by Government of India (Ministry of Steel) on December 29, 2023. By a letter of January 2024, the Company sought No-objection certificate ("NoC") from Joint Plant Committee ("JPC") for scheme of amalgamation of two of its subsidiary companies, namely Bhubaneswar Power Private Limited and Indian Steel and Wire Products Limited. By its letter dated February 22, 2024, while NoC has been issued for the merger, JPC has directed the Company to repay the outstanding SDF loans with interest within one month.

The Company challenged the rejection of representation by the Union of India (vide its communication dated December 29, 2023) and the direction of JPC to the Company to repay the outstanding loans by filing a writ petition being WPO No. 227 of 2024. It was also the contention of the Company that it is entitled to refund of all sums paid by it to SDF and that the Union of India has no right to the same.

On May 24, 2024, the Calcutta High Court (Single Bench) dismissed the writ petition filed by the Company. The Company filed an appeal against the aforesaid before the Calcutta High Court (Division Bench). The appeal filed is pending for hearing.

In the meanwhile, on January 17, 2025, the Company received a demand from the Ministry of Steel to make payment of outstanding balance of SDF loan. The Company made a payment of ₹2,824.15 crore against the outstanding loan (including funded interest) in April, 2025. Subsequently, pursuant to an additional demand raised by JPC, the Company made payment of ₹145.95 crore on August 22, 2025, outstanding as of date. The payments have been made without prejudice to the company's rights and contentions in the appeal pending before the Hon'ble Calcutta High Court. The same was communicated to the Ministry of Steel.
